Savitribai Phule Pune University

Doctor of Pharmacy (PharmD)

Ranked in Top 5% of the class

Pune, India
Jun 2023
GPA 3.84

RELEVANT EXPERIENCE

University of Georgia

Graduate Research Assistant

Athens, GA
Aug 2023 - Present

- Extracted and analyzed data from the FAERS dashboard and Merative MarketScan, using MS Excel and SAS, identifying key drug trends that inform safety and adherence reports in pregnancy and tuberculosis.
- Conducted cost-effectiveness analysis through Markov Models in R, demonstrating cost-effectiveness of gepants compared to usual care under a WTP threshold of \$100,000.
- Lead comprehensive literature reviews utilizing PubMed, Google Scholar, Web of Science, and Cochrane Library, synthesizing over 50 peer-reviewed studies to guide research direction and identify gaps in current knowledge.
- Drafted manuscripts, conference abstracts, and Institutional Review Board (IRB) protocols, contributing to 3 papers under review and 3 presentations at major conferences, expanding the visibility of ongoing research.
- Executed systematic reviews and meta-analyses as a part of a 3-5 author team, using EndNote and R, producing evidence that shaped future research directions.

SKILLS

Microsoft Office: Advanced, EndNote: Advanced

R: Intermediate, SAS: Intermediate, SPSS: Advanced, Stata: Beginner

PUBLICATIONS

Tirzepatide, a dual incretin analog, is a boon in metabolic syndrome: an editorial
